

Let's Play

Guidelines from the Miramagia team

A “Let’s Play” is a digital video posted on YouTube or a similar platform which shows a player playing a computer game and where players can comment on their actions while playing. Players must obtain the consent of the copyright holder to create a Let’s Play video, as content will be shown that is protected by copyright and trademark rights.

We, the Miramagia team, are always delighted when our games inspire commitment, enthusiasm and creativity from players. We are therefore happy for you to create a Let’s Play video for Miramagia and publish it on a video platform like YouTube. However, please note that the following conditions apply:

- (1) You may only make your Let’s Play video available on YouTube or similar platform so that it is free to access for everybody. Explicit consent must be obtained from the Miramagia team for any other use.
- (2) Please add a link to your Let’s Plays that takes users direct to the Miramagia homepage.
- (3) If the video portal on which you would like to place your Let’s Plays is offering a partner program where you can benefit from advertising revenue, you may participate. However, any additional commercial use arising from such is not permitted without the explicit consent of Travian Games.
- (4) Please create your Let’s Play in such a way that it is clear to viewers that this is not an official Travian Games or Miramagia video.
- (5) Modify protected game content only in an appropriate manner at all times.
- (6) Your Let’s Play may contain no information on how to circumvent the game rules or how to violate the Travian Games General Terms and Conditions either overtly or covertly. In particular, the Let’s Play shall not show how users can exploit any bugs in the game.
- (7) Only incorporate content in your Let’s Play videos that does not infringe third party rights.

- (8) Please do not include abusive, harassing, violent, inflammatory, sexist, obscene, pornographic, racist or morally reprehensible statements, statements that glorify violence or any other offensive or prohibited content.
- (9) You shall allow us to post your videos on our sites, on the various social networks, i.e. Facebook, or to link to them.

Travian Games reserves the right to revoke the rights of use granted hereby at any time and without providing grounds for such revocation and to adapt and modify these guidelines at any time.

We hope you have lots of fun creating your Let's Play!
